Giovanni Canzio

Front-end developer and Usability Designer

Cell: +49 176 39937616 (DE)

+39 348 9508413 (IT)

Email: giovanni.canzio@gmail.com

URL: www.giovannicanzio.it

*I deal with **users**, providing them **fitting UX** solutions, improving their web **Experience**.*

*My favourite triad is of course **HTML**, **CSS** and **Javascript**, starting point for further libraries and tools.*

*__Linux__ (and __*nix__) is my ideal habitat, **command line** is discipline and clean separation between code and output.*
*__Vim__ and **git** enthusiast.*
